

**How to work on your own
personal goals without
neglecting your day job**

Who Am I?

- Life coach with 5+ years experience and specialized in productivity.
- Author of 3 productivity books: Taayarka Nolosha, Taayarka waxsoosaarka and Axad wanaagsan
- Helped hundreds achieve clarity & my productivity Mission is help you build a balanced, productive life

Get clarity - Choose the goal

the idea of personal goals and professional goals

Mohamed Murzali

What are the habits or projects or even side goals you want to achieve

Mohamed Murzali

What are the skills you want to learn

Mohamed Murzali

write it down

write down your goals
gives you more clarity

Mohamed Murzali

Use journaling or even
visual habit tracking

Mohamed Murzali

What is one goal that you want to work on for the coming 3 months? put it in the chat

Focus

Use your peak
performance time

Mohamed Murzali

the focus methods;

- monastic
- bimodial
- rhythmic
- journalistic

Mohamed Murzali

Be consistent

It the backbone so taje
it so serously

Mohamed Murzali

the four pillars:

- System
- AC
- reflection
- knowledge

Mohamed Murzali

**Will you like to achieve your goals more
faster and easier? type 'YEESSS' in the
chat**

This is how i can help
you..

Mohamed Murzali
